

Break Free From The Shackles Of Enterprise Software Vendors

Enterprise cloud vendors have fallen short on what the cloud can really deliver. It's not just about "no software", because what it can deliver is a vastly improved business engagement model. You can, and you should, expect flexibility from your cloud vendor. How does your vendor stack up?

THE STANDARD:	Your Vendor	 RightNow
No Shelfware	?	
Minimum 5 Year Pricing Certainty	?	
No Long Term Contract Lockins	?	
No-Haggle Flex up / Down	?	
Roll Over Usage	?	
Cash Service Credits	?
